Located in The Valley of the Sun, Phoenix Arizona and the Greater Phoenix area is a wonderful oasis for winter vacationers. Jolly Tours has been “wintering” in Arizona for nearly three decades, and it is a top choice for many reasons. Few places in North America can boast as many days of sun the in a calendar year. The dry warm desert climate moderated by four major rivers that converge here is extremely healthful. While there is desert grandeur, there is also a fantastic diversity of landscapes to delight your senses. Temperatures in early February are like our late spring weather. By March, temperatures historically are in the mid to high 80's.

The Algarve, Portugal & Torremolinos, Costa Del Sol

Hotel Vasco Da Gama & Hotel Roc Lago Rojo (Adults Only)

 **March 10 – April 2, 2020** DUO WINTER GETAWAY

Starting your getaway in Portugal, we vacation in Monte Gordo. Monte Gordo is situated on one of the finest beaches of the Eastern Algarve and has been transformed from a minor fishing village into a modern and popular resort town. The beach of Monte Gordo is simply stunning, with miles of golden sands compared to the black rocky beaches most commonly found in Portugal. **Hotel Vasco Da Gama** is located right on the golden sand beach and offers two outdoor pools, a seafront terrace, and is just a 10-minute walk from Monte Gordo Train Station.

The Costa del Sol is a region in the south of Spain, in the autonomous community of Andalusia, comprising the coastal towns and communities along the coastline of the Province of Málaga.

It is no surprise that the southern part of Spain is so popular, as **the literal translation of the coast's name is "Coast of the Sun"**. With more than 325 sunny days per year, the Costa del Sol is a **great destination all year round**, but particularly in the first three to four months that Canadians are looking to get out of the wet, cold and snow.

Amish of Pennsylvania *Lancaster County*

 **May 4-8, 2020** FEATURING QUEEN ESTHER AT THE SIGHT & SOUND THEATRE

Spring is a very beautiful time of year to visit Lancaster County Pennsylvania. Come see for yourself and be inspired!

Neat, orderly, green & floral; words that describe Lancaster County, but do not say it all. Take a 90-minute dairy farm tour offering a high-tech view of farming, including a drive down the middle of the loafing barn, otherwise known as the cow palace. You will have a bird's eye view of the milking merry-go-round. For those who wish to do so, there will be time for an optional silo observatory visit before lunch at Kreider Farm. We will visit The Tanger & Rockvale Shopping outlets as well as The Kitchen Kettle Village. This is a great gathering spot for shops, meals, and entertainment, and all part of the greater village of Intercourse. New this year will be a Tuesday visit to an Authentic Amish outdoor market.

See **Queen Esther** staged at The Sight & Sound Theatre. This is a riveting Bible story, set in the opulent pet perilous Persian Empire. Enjoy a fascinating time with artist Elva Hurst, producing "Artist in an Hour" and "Chalk Talk". We always look forward to a delightful experience with our local Amish Guide when she explains life and family in Lancaster county as we visit places in the countryside with her. Have you ever tried whoopee pies and shoo fly pie? They are heavenly morsels, and everyday table fare in Lancaster County! Not only is the food good and plentiful, the family style table setting makes for great conversation as well. We vary the dining style from year to year and have included the popular 140-foot smorgasbord at Blue Ball this year.

This is a delightful tour from start to finish and we would love for you to be a part of it.

VISITING SWITZERLAND, AUSTRIA, GERMANY AND LIECHTENSTEIN

Experience the 42nd “Oberammergau Passion Play” performed at the Passion Theatre and open-air stage with majestic mountains in the background creating an unforgettable scene.

Oberammergau is a quaint Bavarian village located Germany 60 miles from Munich. The village is surrounded by mountains, beautiful meadows, charm and European flair that will delight all your senses. In 1633 the citizens of this small picturesque town voted to perform “The Passion of Christ” every decade if their town was spared the devastation of the black plague that was spreading throughout all of Europe. It is believed that this play was first performed in 1634 and has indeed been held every 10 years since the promise was made.

The play has 124 speaking roles, a 65-member orchestra, 48 person chorus and hundreds of support people from costuming to technical expertise. The entire production is authentic from men growing their hair and beards and authentic handmade costumes, something to be experienced at least once in a lifetime.

In 2020 "The Passion of Christ" play in Oberammergau is expected to draw 750,000 people come be part of this exceptional opportunity and witness this amazing promise performed in its native German. The Grand Alpine Discovery *Continued*

DAY 1 Transatlantic direct flight, Montreal to Zurich.

DAY 2 Lucerne, Switzerland

We arrive early morning at Zurich Airport to take an orientation tour of Zurich City highlights. It is only a short panoramic drive this afternoon to Central Switzerland and our hotel in Lucerne, the Swiss capital of tourism where we will check in for a two-night stay.

DAY 3 Lucerne, Switzerland

Walk the wooden Chapel Bridge and visit the Lion's Memorial that Mark Twain dubbed the "saddest piece of stone on earth", and embark on a cruise aboard a hundred year old paddle steamer on the most beautiful part of Lake Lucerne. Our Swiss Folklore dinner tonight includes music, yodeling, flag-throwing and alphorn blowing and of course Swiss Cheese Fondue at the Stadtkeller Lucerne. 🏔️ B & D

DAY 4 Montreaux, Switzerland

Crossing the Brunig Pass, our first stop is the Bernese Oberland for the woodcarving factory. We'll take a guided city stroll in Bern, the political capital of Switzerland, visit the Astronomical Clock and the door to Munster (main Church). This afternoon we stop at Gruyeres, the Swiss capital of cheese and arrive to our destination, the traditional wee resort town of Montreaux on Lake Geneva. 🏔️ B & D

DAY 5 Montreaux, Switzerland

A short drive will see us at one of the mightiest castles in Switzerland, Chateau de Chillon. This afternoon we will cruise on Lake Lemman in the magnificent Lavaux region, probably the most beautiful wine district in Switzerland and visit the Olympic Museum and gardens in Lausanne. 🏔️ B

DAY 6 Zermatt, Switzerland

Get ready for a lovely drive through the canton of Valais, up to Tasch, where we board the cog-railway for Zermatt, the trendy mountain resort that sits at the base of the Gornergrat. With good weather you will surely want to join the excursion (optional) to the Gornergrat. There you enter another world of high peaks and glaciers; surely a highlight of today. 🏔️ B & D

DAY 7 Alberg, Austria

While the scenery has been spectacular up to this point, today promises to be extreme. This morning we'll have an impressive drive in the Central Swiss Alps as we cross the Furka and the Oberalp passes and see the Devil's Bridge in the Schollenen Gorge. We take a short but exciting train ride on the Glacier Express through the Swiss Grand Canyon. This afternoon we will stop in Vaduz, the Capital of the tiny Principality of Liechtenstein and then enter Austria late this afternoon to overnight in the Arlberg region. 🏔️ B & D

DAY 8 Oberammergau, Germany

Today we enter Bavaria. We will pass through Garmisch-Partenkirchen for a look at the 1936 Winter Olympic Grounds, and then in Ettal to visit a Benedictine Monastery with 800 years of history. We visit one of Ludwig II castles, The Linderhof, which was his smallest but his favourite residence, then arrive in Oberammergau, the darling Passion Play Village with its quaint painted houses this afternoon. 🏰 B & D

DAY 9 Oberammergau, Germany

Today is the top highlight of your tour...**The Passion Play**. It is staged only once every ten years and is a once in a lifetime experience. This dramatic performance takes place in the afternoon and evening, while in the intermission you can shop, relax and take time for dinner. 🏰 B & D

DAY 10 Innsbruck, Austria

This morning we follow the panoramic road in the rolling hills of Bavaria to Neuschwanstein Castle, arriving this afternoon to the Tirolian capital of Austria, Innsbruck. Our local guide will show us great things, but the top cultural highlight of this tour will be our visit to the most impressive Imperial tomb in the West! We will take a unique train and an aerial cable car to Seegrube, from where we have fabulous views over Innsbruck. Tonight look forward to a real Tirolean Folklore Show with lots of Um-pa-pa music. Great fun indeed! 🏰 B

DAY 11 Salzburg, Austria

We will take the panoramic route through Tirol. In Berchtesgaden we drive to Obersalzberg and take a local bus to the Kehlstein, also known as the Eagle's Nest to visit the remains of Hitler's Private Bunker. Just outside of Salzburg, we take the steep funicular up to the impressive Fortification Hohensalzburg, the largest defense system in Europe. 🏰 B

DAY 12 Salzburg, Austria

Salzburg is the "Sound of Music" land, and we will do some sightseeing in the Lake District. Independent lunch is at a panoramic place over the Mondsee, followed by some places that you might remember from the film. We are in the City of Music, so tonight consider attending a Chamber Music Concert, or an optional Classical Concert. Your Guide and Tour Directors will help for these possible options. But before this, a beautiful farewell dinner will be enjoyed. 🏰 B & D

DAY 13 Munich, Germany

Today we drive back to Bavaria to discover its thrilling Capital. You will do a nice city sightseeing tour with your local guide, part by bus, part on foot & visit the bustling Viktaulienmarkt. Is beer a guilty pleasure? Well perhaps you should have dinner in one of the eight beer gardens, of course with Um-Pa-Pa music accompaniment. Munich is truly a vibrant and sensational city. 🏰 B

DAY 14 We will be departing for the Munich Airport

late morning for our direct flights home to Canada. Our Alpine Journey comes to an end, but not the unforgettable memories. We have seen and now understand what is perhaps the loveliest part of Europe with its beautiful mountains, crystalline lakes, friendly people and a great variety of culinary culture.

Nashville *Memphis & Branson*

 May 28 – June 6, 2020

10 days
FROM \$2,179

It was an impromptu jam session involving Elvis Presley, Jerry Lee Lewis, Carl Perkins, and Johnny Cash made on December 4, 1956, at the Sun Record Studios in Memphis, Tennessee that started the ball rolling. In a very short period of time, a recording was released under the title “Million Dollar Quartet”. While the jam session appeared to have happened by sheer chance, what came out of it was pure genius.

Rock ‘n Roll took off like a wood fired steam engine and the rest is history.

Let’s enjoy an incredible musical journey with, not just rock and roll, but new and old country; from Memphis to Nashville and then to Branson.

Agawa Canyon, Frankenmuth & Mackinac Island

September 23-30, 2019

How do you pick a highlight when this tour has three top highlights? Whether it is a full day by train into the Agawa Canyon, a carriage ride to the famous Grand Hotel while on Mackinac Island, or a visit to Frankenmuth, known as “Little Bavaria”, you will be hard pressed to choose a top pick highlight while on this journey. Out of seven nights, enjoy three locations each for two night stays. Plan to join Jolly Tours for this delightful journey.

DAY 1 Cornwall – Sudbury, ON.

DAY 2 Sudbury – Sault Ste. Marie, ON. We visit Northern Ontario’s most popular attraction, Science North before leaving Sudbury. This afternoon enjoy rugged vistas as we follow the shoreline of the North Channel of Georgian Bay to Sault Ste. Marie.

DAY 3 With boxed lunches & cameras ready, we board the train at the Algoma Station in Sault Ste. Marie, ready for a picture perfect adventure and the breath-taking scenery that inspired The Group Of Seven Artists to paint their masterpieces.

DAY 4 & 5 Mackinac Island Michigan is like a fairy tale island from out of the past, with its’ horse-drawn carriages, and lack of motorized vehicles. Made famous by the making of the movie called “Somewhere in Time” with Christopher Reeve and Jane Seymour, the stately Grand Hotel surrounded by immaculate gardens and landscaping, sits over-looking the Straits of Mackinac, and the harbour activity. A narrated carriage tour of the island and lunch at the Grand Hotel are highlights of your stay and the graciously appointed Lake View is your home for two nights.

DAY 6 & 7 Frankenmuth is the Bavarian area in Michigan and mirrors so many aspects of the Bavarian area in Germany. Learn about the heritage and culture on our guided tour and maybe even enjoy a stout Oktoberfest German-brewed beer. Staying at the Bavarian Inn centrally located will give you flexibility and independence. Shop, stroll & explore history rich Frankenmuth. Enjoy a group visit to Bronner’s Christmas Store, the largest in the world. You will also have the option to spend half a day at The Prime Outlets at Birch Run, just outside of Frankenmuth.

DAY 8 Frankenmuth MI – Cornwall ON. We cross the St. Clair River at Sarnia this morning and stop at duty-free. Our fall foliage circle journey comes to a close this evening.

Shaw Festival & Niagara-on-the-Lake

 September 24-27, 2019

Niagara-on-the-Lake not only offers world-class theatre at the Shaw Festival, it is also the number one Food and Wine destination in Canada.

Shopping and dining is outstanding, and we stay at the Vintage flagship property, **The Prince of Wales**, named in honor of a visit by the Duke and Duchess of York in 1901. The location on main street couldn't be better, and you are just steps away from theatres & dining. A very pleasant choice in your leisure time can be a self-directed walking tour, complete with map and descriptions, or a tour of Historic Fort George, just off Main Street. We will settle in and have a wonderful dinner together the first evening. There is also an option to visit the newest shopping mecca in Niagara-on-the-Lake featuring nearly 100 marquee retailers. Fresh weekly roasted peanuts in every form imaginable can be found at Picard's Outlet which we will visit.

Shaw Festival Shows are staged at four possible theatres all on Queen Street. There is excellent variety in your **THREE INCLUDED SHOWS** this season.

- **The Ladykillers**, a dark comedy based on one of the best-loved British films of all times
- **Brigadoon**, a "sweep-you-off-your-feet musical" inspired by Bonny Scotland
- **The Rope**, an Alfred Hitchcock masterfully written psychological thriller

For those whose theatre appetites will not be quenched with three shows, consider the following:

TWO OPTIONAL SHOWS

- **Cyrano de Bergerac**, a breathtaking tale about the exquisite torture of loving from afar (Sept 24th 8:00 PM Option)
- **Sex**, Mae West comedy drama (Sept 26th 2:00 PM Option)

Nothing can compare to staying right in the heart of Niagara-on-the-Lake where high tea is a daily event, and a horse drawn carriage waits just outside your front door at Prince of Wales to show you about town in comfort!

The Amish of Holmes County Ohio

Home of the Largest Population of Amish in the World

 September 29 – October 4, 2019

They are often called “The Plain People” and they call us “The English”. While many of their practices may seem quaint and old-fashioned, in reality, they are expressions of their inner beliefs. Step back in time and experience this remarkable culture which shuns technology and modern comforts for a simpler way of living. Here in the midst of a modern world, you will find a unique lifestyle which most people don’t know exists.

DAY 1 Cornwall – Erie, PA. We'll cross into the US via the Ivy Lea Bridge and stop just north of Syracuse for lunch. This evening finds us overnight in Erie, PA.

DAY 2 & 3 Erie – Walnut Creek, Ohio. Holmes County in the northeast region of Ohio is our destination today, stopping first at Behalt to acquaint you with the Amish/Mennonite Heritage. You will even pick up tips about the different styles of Amish ladies caps! Your first sample of Dutch Valley fare at lunch time will be in Sugarcreek. This is an independent lunch. Groups from previous visits have been rendered speechless when they first lay eyes on the tranquil setting of our accommodations in Walnut Creek. Add to that the sounds of rolling buggy wheels and the clapping of horses' hooves as they roll by the front verandah, you will realize that you are staying in a uniquely different part of the world. Dinner and visit will be at The Erma Weaver Family Home tonight.

DAY 4 Your days will be full and fascinating as you experience life in Holmes County Ohio. From homesteads to village life, to small sustainable manufacturing visits and the larger Pioneer Equipment Factory Tour, to a local quilt shop and dry goods store, your experiences will be informative and fun. Dining in Amish Country is a treat. Food is plentiful and includes Family Style dining. Also, look forward to a Dessert Night at the Hershberger farm.

DAY 5 Holmes County, Ohio – Erie, PA. This morning you will visit The Hershberger Farm Market and Amish Bakery. See the largest Belgian draft horse in Ohio! And you will have some free time in Berlin to have lunch and shop before we leave this wonderful community this afternoon.

DAY 6 Erie, PA – Cornwall, PA. Lunch will be in the New York area before crossing the border this afternoon.

Malta *The Jewel of the Mediterranean*

✈️ 🚌 October 16-27, 2019

Let us take you on a journey to the land that has been sought after, conquered, and celebrated as the jewel of the Mediterranean for over 5000 years. Malta, and its' islands, have an illustrious past stretching back to the Temple Builders, Phoenicians, Arabs, Knights of Malta, French and finally British rule leading to its modern-day independence. It is a little-known fact that the oldest free-standing structures in the world are found in Malta, one thousand years older than the pyramids of Egypt. Adding to its significant history marked by palaces, fortifications, cathedrals and other landmarks, exist a plethora of quaint villages with their narrow meandering streets, beaches, countryside walks and a culture that is sure to warm you.

Located virtually at the centre of the Mediterranean a mere 93 kilometers south of Sicily and 288 kilometres north of Africa, the Maltese archipelago consists of three islands. Malta, Gozo and Comino. Malta is the largest of the three islands and is the cultural and commercial centre. You will be staying in Valletta while in Malta, the capital city. This landmark city was built by the Knights of Malta. Gozo, the second largest island, is more rural, characterized by tourism, fishing and agriculture. The third and smallest island is Comino which is largely uninhabited.

This itinerary is arguably the very finest Malta experience for small groups wishing to become immersed in all things Maltese.
