Broadway Duo *Miss Saigon & Come From Away*

 May 16-17, 2020

Activity Level 

MISS SAIGON will be staged at the Princess of Wales Theatre where it originally debuted in Toronto back in the 90's. Anyone who has ever seen it could never forget the famous helicopter scene! This musical is based on Giacomo Puccini's opera *Madame Butterfly*, and similarly tells the tragic tale of a doomed romance involving an Asian woman abandoned by her American lover. The setting of the plot is relocated to 1970s Saigon during the Vietnam War, and *Madame Butterfly*'s story of marriage between an American lieutenant and a Geisha is replaced by a romance between a United States Marine and a seventeen-year-old South Vietnamese bargirl.

COME FROM AWAY is the remarkable true story of the small town of Gander Newfoundland that welcomed the World. It has been brought to the Broadway stage to honour, celebrate and remember. On 9/11 the world stopped...on 9/12 their stories moved us all. This performance will take you into the heart of the remarkable true story of 7,000 stranded passengers in the small town that welcomed them. Cultures clashed, and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships.

This is a Broadway Duo of epic proportions! A winning weekend combination, sure to please all!

Nashville *Memphis & Branson*

 **May 28 – June 6, 2020**

Activity Level 

It was an impromptu jam session involving Elvis Presley, Jerry Lee Lewis, Carl Perkins, and Johnny Cash made on December 4, 1956, at the Sun Record Studios in Memphis, Tennessee that started the ball rolling. In a very short period of time, a recording was released under the title "Million Dollar Quartet". While the jam session appeared to have happened by sheer chance, what came out of it was pure genius.

Rock 'n Roll took off like a wood fired steam engine and the rest is history.

Let's enjoy an incredible musical journey with, not just rock and roll, but new and old country; from Memphis to Nashville and then to Branson.

Our tour guide and bus driver almost seemed like family by the time our 12-day tour of Ireland was finished. They were very informative but also quite entertaining day to day.

Everything seemed so seamless as we made our way around the beautiful country.

Tadoussac *Whale Watching & Québec City*

 July 15-17, 2020

Activity Level 

Located on the shores of the St. Lawrence River in Québec, Tadoussac is most famous as a whale watching destination. This getaway takes you to this small town for your first overnight. Tadoussac sits at the confluence of the freshwater Saguenay River and the salty St. Lawrence River where three undersea currents converge creating an abundance of plankton. Whales love plankton thus making this area one of the best whale watching areas in the world.

It is exciting to note that there are as many as thirteen different species of whales in this area including the endangered beluga and the legendary blue whale.

Our stay here will include a whale watching cruise so we can see these magnificent creatures first hand. Following our whale watching adventure, we journey to Québec City for an overnight stay. Upon arriving we will meet with a local guide for a guided city tour. There will be free time to explore this historically rich city at your leisure as well.

Stratford Festival is North America's largest classical repertory theatre company with an outstanding line up for 2020. Presenting classics, contemporary dramas and musicals, they put special emphasis on the plays of Shakespeare.

Roll back in time, and the year was 1950. The railway had just pulled out of Stratford. In a bid to breathe new life into the community that sits on the idyllic Avon River, journalist Tom Patterson tabled the idea of a Shakespearean theatre. How fitting that in the spring, the brand new Tom Patterson Theatre will open for the 2020 season. Additionally, we offer an optional extra show on day one. Each day enjoy breakfast at leisure, and a variety of dining each evening.

DAY 1 We will check in at our centrally located host hotel in Stratford and go out for fine dining this evening in Hamburg, only a few minutes out of Stratford. This evening at 8:00pm we will see a real changer for Stratford, a Tony-winning Best Musical of 2005 called Spamalot staged at the Avon Theatre.  D

DAY 2 Following breakfast, we have a Forum Speaker event at 10:30 this morning. Enjoy Independent lunch and shopping time before your first included show this afternoon. The musical Chicago holds the record for longest running musical on Broadway and is being transformed for Stratford Theatre under the direction of the awesomely creative Donna Feore. We will have a little down time and dinner at our hotel before your evening show, and you have choice when you register. Colm Feore plays the title character in the comedy, **The Miser**. The second offering this evening is a brand new stage musical that charts the highs and lows of rock duo Walker and Rhodes. It is called **Here's What it Takes**; a new musical for a new theatre – The Tom Patterson.  B, D

DAY 3 This morning following breakfast, we will check out and take the short drive over to the St Jacob's Farmers Market for a couple of hours before heading back to Eastern Ontario. Our expected time of arrival in Cornwall will be approximately 6:00pm.  B

Malta *The Jewel of the Mediterranean*

✈️ 🚗 October 14-25, 2020

Activity Level 

Let us take you on a journey to the land that has been sought after, conquered, and celebrated as the jewel of the Mediterranean for over 5,000 years. Malta, and its' islands, have an illustrious past stretching back to the Temple Builders, Phoenicians, Arabs, Knights of Malta, French and finally British rule leading to its modern-day independence. It is a little-known fact that the oldest free-standing structures in the world are found in Malta, one thousand years older than the pyramids of Egypt. Adding to its significant history marked by palaces, fortifications, cathedrals and other landmarks, exist a plethora of quaint villages with their narrow meandering streets, beaches, countryside walks and a culture that is sure to warm you.

Located virtually at the centre of the Mediterranean a mere 93 kilometers south of Sicily and 288 kilometres north of Africa, the Maltese archipelago consists of three islands. Malta, Gozo and Comino. Malta is the largest of the three islands and is the cultural and commercial centre. You will be staying in Valletta while in Malta, the capital city. This landmark city was built by the Knights of Malta. Gozo, the second largest island, is more rural, characterized by tourism, fishing and agriculture. The third and smallest island is Comino which is largely uninhabited.

This itinerary is arguably the very finest Malta experience for small groups wishing to become immersed in all things Maltese.
