IMPORTANT NOTICE

At the date of publication of this program, the state of Hawaii requires that all visitors to Hawaii arrive with a negative Covid-19 test within 72 hours of departure. The policy is stated as follows:

Keeping Hawai'i Safe. Today and in the future.

We are excited to welcome travelers to the Hawaiian Islands with a pre-travel test.

Whether you are a returning resident or a visitor to the Hawaiian Islands, we want to ensure that all travelers remain safe and healthy. For this reason, travelers are strongly advised to take a pre-travel COVID-19 test from a trusted testing and travel partner PRIOR to the final leg of their trip to the State of Hawai'i. Trans-Pacific travelers arriving WITHOUT a confirmed negative COVID-19 test within 72 hours of departure are subject to a mandatory 10-day quarantine.

All travelers must have a negative test result BEFORE beginning the final leg of their trip. Anyone without a negative test result PRIOR to departure must quarantine upon arrival.

The negative test result must be uploaded onto Safe Travels prior to departure or printed out prior to departure and hard copy in hand when arriving in Hawai'i.

Jolly Tours cannot arrange this pre-travel covid-19 test for you, you must make the appointment for this and obtain your negative results within 72 hours of arriving in Hawaii on March 9th, 2022.

This policy can change and Jolly Tours will be watching for this.

NCL Cruise Line requires that all persons sailing on their ships have proof of full Covid-19 Vaccination. Jolly Tours anticipates that collection of your immunization confirmation will be required to provide to NCL prior to embarkation.
