Life beyond home... JOLLYTOURS.CA

Hella Fellow Travelers, Wanderers and Explorers,

What a time this has been. We know that each of you have had uniquely different experiences and challenges over the last year and a half. It is our sincere hope that you are well and enjoying this time with family and friends.

This has been a rollercoaster ride for us and the entire travel industry. We would be lying if we didn't admit to tears, frustration and difficult days, but there has also been family, health, and spirit. We are so optimistic for our future and yours. Some hard lessons have been learned and stopping to smell the roses is sweeter than ever before. Now, we are taking a very cautious and careful approach to the re-starting of tours and offerings, and although things will be a little different for the short term, such as reduced group sizes, and following public health protocols, we know the long term will see things return to more familiar operations.

We cannot express in words how much we are looking forward to seeing everyone again soon!

The Jolly Tours Team

This booklet is not the big brochure you have come to know, but it is a summary of all the tours we currently have, with more to come on a regular basis. While we work on our recovery, we hope to connect with you in different ways to be able to find our tours and details.
