German Christmas Markets

November 25th – 27th, 2022

December 1st – 3rd, 2022

3 DAY TOURS

Since medieval times, towns and cities across Germany come alive with the sights, sounds and smells of Christmas during the month of December. Charming Christmas markets begin to appear at the beginning of December boasting local artisans, handmade toys, and delectable eats just to name a few.

An authentic market experience can be found in old Québec City thanks to its stunning old-world European charm. We stay right in the heart of old Québec City with easy walking access to the markets as well as local shops, attractions, and restaurants. In addition to the markets, a highlight of this tour will be a Christmas food tour. You will enjoy the pleasures of authentic Québec products while discovering the picturesque Quartier Petit Champlain, the oldest commercial district of Québec City.

Old Québec City is a destination in itself, add to it the experience and magic of the Christmas markets and this is an exciting getaway. Québec City's German Christmas Markets.....Exquisitely European!
